

THE DEPARTMENT OF TOXIC SUBSTANCES CONTROL, THE STATE WATER RESOURCES CONTROL BOARD AND THE U.S. ENVIRONMENTAL PROTECTION AGENCY PRESENT:

STATE AND FEDERAL BROWNFIELDS FUNDING WORKSHOP

If you represent Tribes, local government, a redevelopment agency, general improvement district, community development corporation, or a non-profit organization interested in returning Brownfields properties to productive economic and/or open-space use, this workshop is for you. Come and learn how to competitively apply for state and federal grants that will assist with site assessment and cleanup, moving your projects toward the desired redevelopment outcome.

You will hear from experts from the U. S. Environmental Protection Agency, the California Department of Toxic Substances Control, and the State Water Resources Control Board about their respective grant guidelines. Among the topics to be covered:

**Applicant and Site Eligibility Criteria
Application Steps**

**Scoring Criteria
Success Stories**

The workshop is intended to make the grant funding process as transparent as possible to enable you to take advantage of these opportunities to revitalize your community. The agency representatives will make themselves available after the formal presentations for appointment-only one-on-one sessions for those having specific questions about their particular sites and situation.

All workshops will begin with sign-in from 8:30 AM to 9:00 AM and the presentations starting at 9:00 am through 11:30 am. Appointments for individual sessions will begin at 11:45 am.
